

PARTNER ORGANISATION	PROJECT	INVESTMENT	STATUS	START DATE
Cancer Council Victoria	The Obesity Knowledge Hub	\$150,000	Active	2018
Sonic Clinical Services	Health Care Home Demonstration Clinic trial	\$189,000	Active	2017
The Sax Institute	The Health Insights Study - PHASE 2/3	\$486,255	Active	2017
Australian Orthopaedic Association	Implementation of the patient reported outcomes measures	\$150,000	Active	2017
Australian Institute for Health Innovation, Macquarie University	NHMRC Partnership Centre for Health System Sustainability	\$2,000,000	Active	2017
The University of Sydney	BHF Longitudinal Oral Health Care Study - pilot	\$45,000	Active	2017
Monash University	Australian Spine Registry	\$100,000	Active	2017
Auckland UniServices	Development of a Casemix system for Aged Residential Care	\$141,753	Active	2017
The University of Melbourne	Towards the health promoting university	\$327,821	Active	2017
The University of Melbourne, Victorian Comprehensive Cancer Centre		\$217,978	Active	2016
Commonwealth Scientific & Industrial Research Organisation (CSIRO)	Predicting response to cholinesterase inhibitors in patients with dementia	\$278,105	Active	2016
Moonshine Agency	Evaluation of the Take Heart Program in the Northern Territory	\$104,750	Active	2016
Australian Research Alliance for Children & Youth	Strong Foundations - Getting it right in the First 1000 Days	\$210,000	Active	2016
James Cook University	Telemedicine: Mgt of Diabetic Foot Ulcer in Remote Aust	\$465,514	Active	2015
The University of Melbourne	St Vincent's Early Mobilisation Pathway in Total Joint Arthroplasty	\$326,232	Active	2015
Collaborative Research Centre (CRC) for Alertness, Safety & Productivity	Collaborative Research Centre (CRC) for Alertness, Safety & Productivity	\$200,000	Active	2014
St George Hospital and University of New South Wales (UNSW)	Can antibiotics cure refractory urge incontinence? A randomised control trial	\$273,704	Active	2014
University of Notre Dame, School of Medicine	Innovative medicare local quality improvement model to reduce cardiovascular disease	\$156,832	Active	2014
University of Sydney - Brain and Mind Institute	Investigating oxytocin to improve social function in children with autism	\$250,000	Active	2013
St George (King) - Sydney Colorectal Associates	Randomised controlled trial of vitamin A in patients with radiation proctitis	\$71,074	Active	2012
Australian Institute of Health Innovation, University of New South Wales (UNSW)	The appropriateness of healthcare delivered to Australian children : CareTrack Kids	\$400,000	Active	2014
National Stroke Foundation	Enable me user support and experience	\$100,000	Completed	2017
The Sax Institute	The Health Insights Study - PHASE 1	\$259,995	Completed	2016
Auckland UniServices	FoodSwitch Upgrade NZ	\$63,515	Completed	2016
Centre for Eye Research Australia, The University of Melbourne	Develop web based screening system for eye diseases	\$486,103	Completed	2016
Clevetar	Development of a digital diabetes coach	\$150,000	Completed	2015
New Zealanders for Health Research	Seed Funding	\$46,266	Completed	2015
The University of Melbourne	Appropriate use of coronary artery angiography	\$103,122	Completed	2015
Cancer Institute NSW	Improving the experience of patients post-treatment for cancer.	\$380,000	Completed	2014
Commonwealth Scientific & Industrial Research Organisation (CSIRO)	Diagnostic blood test for screening of colorectal cancer	\$424,427	Completed	2014
Royal Far West	Come N See Technology Mediated Speech and Language Pilot Program	\$80,000	Completed	2014
The George Institute of Global Health at The University of Sydney	A large scale randomised trial to define the optimal front-of-pack labelling system for Australian foods - NHMRC CRC	\$75,000	Completed	2014
Commonwealth Scientific & Industrial Research Organisation (CSIRO)	Weight Moti-Mate: an e-health application supporting weight loss maintenance	\$250,000	Completed	2014
Australia & New Zealand Gynaecological Oncology Group - ANZGOG	MOST study - Measure of Ovarian Cancer Symptoms & treatment concerns following treatment	\$120,000	Completed	2014
University of Melbourne (Austin Health)	Investigating a novel method to predict weight loss outcome	\$282,681	Completed	2014
Monash University - School of Public Health and Preventive Medicine	Optimising Outcomes in Patients with Carotid Arterial Disease	\$286,783	Completed	2014
National Stroke Foundation	Empowering adults with acquired disability "Enable Me" - Phase 2	\$200,000	Completed	2014
Baker IDI Heart and Diabetes Research Institute	Addressing the growing burden of sleep apnoea - a screening pathway	\$299,800	Completed	2013
Deakin University	Maternal vitamin D in pregnancy and childhood growth	\$189,000	Completed	2013
University of Queensland - Diamantina Institute	Infection and immunity in squamous skin cancer	\$400,000	Completed	2013
Obesity Australia	National Advocacy Plan to drive the attack on obesity - Phase 2	\$100,000	Completed	2013
Australian Research Alliance for Children & Youth	National Action Plan for Young Australians - Phase 2	\$100,000	Completed	2013
University of Tasmania	Improving care through imbedding general practitioners within residential care facilities	\$400,000	Completed	2013

CRUFAD - UNSW	Combining imagination and reason in the treatment of depression	\$88,145	Completed	2013
National Stroke Foundation	Meeting the challenge: empowering adults with acquired disability. Enableme - phase 1	\$225,000	Completed	2013
Parenting Research Centre Inc	Mode of birth and long-term childhood health outcomes	\$99,488	Completed	2013
The Garvan Institute	Dubbo Osteoporosis Epidemiology Study and International Consortium - Phase 2	\$300,000	Completed	2013
Lung Foundation	Patient Learning Online: teaching patients about their respiratory condition	\$30,000	Completed	2013
The Royal Australian College of General Practitioners	Handbook of Non Drug Interventions (HANDI)	\$190,602	Completed	2013
Clinical Benchmarks Australia	Australian Arthroplasty Project	\$198,950	Completed	2013
Monash University - Women's Health program, Department of Medicine	Metformin for the management of insulin resistance in overweight women in midlife	\$280,000	Completed	2013
Australian Research Alliance for Children & Youth	National Action Plan for Young Australians - Phase 1	\$400,000	Completed	2012
The Royal Australian College of General Practitioners	Online Education for Pain Management in Primary Care	\$200,000	Completed	2012
University of Sydney	Adolescents' & Parents' Shared Decision-Making about HPV Vaccination	\$48,567	Completed	2012
University of South Australia	Development of Australian clinical indicators for potentially preventable hospitalisations	\$200,409	Completed	2012
Woolcock Institute: University of Sydney	Early sleep interventions to reduce the risk of post natal depression in new mothers	\$94,070	Completed	2012
Monash University - Women's Health Research Program	The Bupa Health Foundation Health and Wellbeing after Breast Cancer Study (Phase 3)	\$268,911	Completed	2012
Alzheimer's Australia	End-of-life Care Planning for People with Dementia	\$132,000	Completed	2012
Consumers Health Forum	Consumers and Informed Consent	\$240,900	Completed	2012
Neuroscience Research Australia, University of New South Wales (UNSW)	A National Approach to Improving Outcomes for People with a Hip Fracture	\$477,000	Completed	2012
Centre for Eye Research, University of Melbourne	Nanosecond laser to prevent vision loss from age-related macular degeneration	\$497,114	Completed	2012
CRUFAD - University of New South Wales (UNSW) at St Vincent's Hospital	How to be BRAVE: program to prevent anxiety and depression	\$165,652	Completed	2012
Austin Health - Parent Infant Research Institute	Extension - Evaluating an antenatal depression treatment program: a randomised control trial	\$369,758	Completed	2012
Obesity Australia	National Advocacy Plan to drive the attack on obesity - Phase 1	\$100,000	Completed	2012
James Cook University	The BHF National Small Abdominal Aortic Aneurysm Trial	\$250,000	Completed	2011
Life. Be in it.	Bupa Health Foundation KidFit Tasmania Triathlon 2011 Series	\$52,000	Completed	2011
Cancer Council	Effects of counter-advertising on parent/child susceptibility to junk food promotions	\$280,000	Completed	2011
Royal Flying Doctor Service	Remote Area Oral Care Pilot	\$100,000	Completed	2011
Griffith University	Analysis and evaluation of chronic disease patient targeting associated with a telephone based health coaching program	\$178,122	Completed	2011
Active Edge Promotions Pty Ltd	B-Active Schools	\$261,550	Completed	2011
Arthritis Australia	Osteoarthritis Clinical Excellence Hub	\$250,000	Completed	2011
Australasian Research Institute	Understanding Oxidative Stress in the Brain to Prevent Neurodegenerative Diseases	\$172,654	Completed	2011
Cooperative Research Centre for Oral Health Science - The University of Melbourne	Multimedia Web Enhancement Oral Health Promotion Program for Older Adults	\$78,879	Completed	2011
Alzheimer's Australia	BrainyApp	\$282,000	Completed	2011
Ballarat Health Services	Dementia Care in Hospital Program (DCIHP)	\$241,303	Completed	2011
CCCH (The Centre for Community Child Health)- Royal Children's Hospital Melbourne	Community Paediatric Review Evaluation & Content Development	\$80,000	Completed	2011
St Vincent's Hospital	Alzheimer's Disease After Anaesthesia	\$220,000	Completed	2011
The George Institute for Global Health, The University of Sydney	TEXT ME - Diet and Exercise Messages	\$264,000	Completed	2011
Life. Be In It.	Bupa Health Foundation KidFit Tasmania Triathlon 2012 Series	\$56,400	Completed	2011
Monash University	Early detection of heart failure	\$191,500	Completed	2010
The Garvan Institute of Medical Research	To identify individuals who do badly after an osteoporotic fracture	\$450,000	Completed	2010
Headspace - Youth Mental Health	Getting the Heads Up on Youth Mental Health – public events to highlight issues affecting young people's mental health	\$50,000	Completed	2010
The University of New South Wales	Implementing Guidelines to routinely prevent chronic disease in general practice - PEP	\$80,000	Completed	2010
