F119	Surgical Assessment	\$83.18	\$68.37	\$68.37	\$64.95	\$61.53	\$71.78	\$70.65	\$63.80
Billing Note: With all consultations it is assumed that a certain amount of assessment is conducted. Diagnostic services should therefore rarely be billed in conjunction with a consultation fee unless the service was beyond the scope of consultation conducted. It is expected that if these services are used, that separate clinical notes will be maintained and justification for the service may be requested.									
Orthomechanical Services and Procedures

Podiatry Schedule of Fees will be periodically reviewed and may be updated from time to time.

Billing Rules:

- Prices in the above table are representative of one foot. If a pair is provided or both feet are treated the item code will be billed twice.
- The ADF limit Orthoses to one pair. The referring On-base Medical Officer must approve all requests for additional Orthoses prior to supply.
- Supply, fitting and complete initial components including plain covers and posts are included with all orthosis item numbers.
- Where an item number is billed twice, the provider must specify left or right on the invoice/account.
- Only one initial consultation can be claimed per episode of care.
- Subsequent consultations cannot be claimed on the same day as an initial consultation for the same patient.
- Multiple subsequent consultations cannot be claimed on the same day.

The list of items below are not to be used when treating ADF Eligible Personnel:

Item Number	Category
