

Bupa's Registered Nurse Graduate Program

Aged Care

**Do you want to enrich the
lives of residents and build
a meaningful career?**

Bupa's Graduate Program is designed for recently graduated Registered Nurses looking to accelerate their career in a culture of care.

Over 12 months you'll complete a 'Transition to Professional Practice' (TPP) program that combines formal learning alongside preceptorship and practical clinical placement rotations in one of Bupa's 50+ aged care homes across Queensland, NSW, Victoria or South Australia.

Learning alongside the industry's best, you'll be supported to gain experience across many disciplines of aged care nursing, setting you up for excellent career progression within Bupa and beyond.

WHY JOIN BUPA?

- Job security
- Health & Lifestyle Benefits
- Build your career
- Training & Support
- Reward & Recognition
- Person-First Focus

The first intake will be in early 2023. Applications will open soon.

Register your interest by sending an email to Tanya.Hanaee@bupa.com.au.

Accelerate your aged care career
